Marketing Permission Agreement

Thank you for partnering with Sunward Steel Buildings, Inc. as an Authorized Independent Dealer. We understand the importance of building relationships that lead to a collaborative success. The utilization of Sunward's marketing materials including websites, copyrighted photos, and brochures is a privilege.

We want to help establish a consistent flow of business that benefits both you, the Dealer and Sunward.

By providing your media credentials and signing below you agree to the following:

- Grant permission to Sunward to modify, change, or alter any existing or new websites/hosting plans owned by your company.
- Sunward will charge \$100 per hour to add additional non-steel building content to the website that may pertain to your business.
- Website hosting, SSL Certificates, Website backups and security are the sole responsibility of the Dealer to purchase and maintain. Sunward will not be responsible troubleshooting or repairing website issues that you may encounter after the initial website template is loaded.
- The copyrighted photos, websites, and brochures shared by Sunward are not to be used or shared to market competitors business.
- If you are purchasing the SEO (Search Engine Optimization) package, Sunward will perform the initial keyword research and SEO set-up. It is your responsibility to maintain the ongoing SEO efforts that Google and other search engines require.
- Change your hosting password upon the completion of the website by Sunward's marketing team
- If you become inactive as an Authorized Independent Dealer, you will be required to remove all Sunward marketing materials.
